Olympics Update / New Emperor Enthronement Ceremony**

RUGBY WORLD CUP 2019 in JAPAN

RUGBY WORLD CUP 2019 will be held in Japan from 20 SEP to 02 NOV. The games will take place all over Japan from Hokkaido, in the northern part of Japan, to Kyushu, in the southern part of Japan. Twenty countries will participate in the World Cup this year. The opening game will be Japan VS Russia at Tokyo Stadium. This will be a chance to see the world's top rugby players and fans from countries throughout the world will attend. Please enjoy RUGBY WORLD CUP 2019.

OLYMPICS UPDATE

Please be aware that the initial slot allocation period starts on 01DEC for the Olympics and Paralympics. Slot applications submitted from 01DEC to 10FEB will be processed first and notifications will be sent out on 28FEB.

The Tokyo Olympics will be held from 24 JUL through 9 AUG in 2020 followed by the Paralympics, which will be held from 25 AUG through 6 SEP. During the Olympics and Paralympics, a “Special Coordination Office” will be set up at the JCAB Tokyo Airport Office and this office will solely control the slots for Non-Scheduled Flights (including a business jet flight that is not related to the Olympics) from 01 JUL to 30 SEP for the airports below.

RJAA/NRT, RJTT/HND, RJCC/CTS, RJSS/SDJ, RJGG/NGO and RJAH/IBR***

*****RJAH/IBR is commonly used by the Civil Aviation Bureau and Japan Self Defense Force. GA aircraft cannot operate out of this airport. However, from JUL through SEP, it will be used for international GA flights as well. It is located 80km north east of Tokyo.**

If you have a trip planned to use any of the above airports between 01 JUL and 30 SEP, please send us your schedule by 30 NOV 2019.

The following information is required for your slot application

- Aircraft Registration Number and Call Sign**
- Type of Aircraft**
- Flight Schedule**
- Revenue or Non-Revenue**
- Name of the Operator**
- Name of the Lead Passenger**

After the initial allocation period, slot requests from all Non-Scheduled Flights will be accepted if the slots are still available. The applications received before the 20th of each month will be processed and notifications will be sent out by the end of the month.

/// RJTT ///

Operational Hours: 24hrs

CIQ Hours: 24hrs

Parking Restriction: None, but aircraft may not be able to stay at the same spot from arrival through departure if it parks for a long period. Aircraft may be required to move to an overnight parking spot.

Business Aviation Terminal: Available (Free of charge), but advanced coordination with CIQ is required.

RJNA (Nagoya Komaki)

**A Nagoya-area airport closer to downtown than RJGG
Easy access to aircraft through a dedicated business jet terminal**

RJNA is run by Aichi prefecture and is NOT an Airport of Entry. However, it is the first airport with a dedicated BJ Terminal in Japan. International arrivals/departures can be arranged. Located in the north, RJNA offers fast access from/to Nagoya (15~20 min by car). Aircraft parking is a short distance from/to the BJ terminal (70m/230ft).

Slot Application: No advance booking of slots is required. However, a parking spot should be reserved in advance. Parking spots for the next month can be secured from the first day of this month.

Operational Hours: 0700L – 2200L (2200Z – 1300Z)
