### The Official Character of Expo 2025

In 2025, Expo 2025 will be held in Yumeshima, Osaka. The theme of the Expo is "Designing Future Society of Our Lives". The year 2025 is only five years away from 2030, which is the year the United Nations has targeted for achieving its Sustainable Development Goals (SDGs). Therefore, Expo 2025 will become a key platform for promoting the attainment of the SDGs by 2030.

On March 22, the official character for the Expo was chosen from 1898 entries. The character has a red ring face, which resembles the official EXPO logo, and a blue body, which expresses diversity. The

announcement of the winner caused many people to react to this strange looking character. What do you think?

### **RECOMMENDED SIGHTSEEING SPOT**

### **Expo'70 Commemorative Park**

Expo'70 Commemorative Park is one of the largest parks in Japan. It was built on site of the 1970 World Expo, which Japan hosted. Some facilities used for Expo '70, such as the Japanese Garden and the Japanese Folk Crafts Museum, are still enjoyed by the visitors. The park is now famous for its forest and flower garden. In spring, about 5,500 cherry trees blossom, and much of the part looks very pink. Since these cherry blossoms are so beautiful, the park is one of Japan's Top 100 Cherry Blossom Spots.

In the flower garden, you can see many seasonal flowers, such as sunflowers in summer and cosmos in autumn. If you enjoy viewing seasonal flowers, the Expo'70 Commemorative Park is a highly recommended place.
