## ***SEASONAL TOPICS***

### Get in touch with nature

The autumn in Japan is the season when the mountains are dyed in beautiful yellow and red autumn colors. Since the

temperature of autumn is very comfortable, many people enjoy a hike or trek to see a beautiful view of the mountains.

Japan is a mountainous nation where 70% of the land is covered by mountains and forests. Thus it is relatively easy to access the mountains. On holidays, people from the city enjoy hiking to escape from their everyday life and get

closer to nature. From the great Mt. Fuji to all the small mountains, there are many trekking trails in Japan to choose from, Throughout the year you can enjoy views of the mountains, but autumn is the best season to enjoy the hiking in Japan.

## ***RECOMMENDED SIGHTSEEING SPOT***

### **Shimanami Kaido**

The Shimanami Kaido (しまなみ海道, Shimanami Kaidō) is a 60 kilometer long toll road that connects Japan's main island of Honshu to the island of [Shikoku](#), passing over six small islands in the Seto Inland Sea. It is also known as the Nishiseto Expressway. There are two other land connections between Shikoku and Honshu, but the Shimanami Kaido is the only one

traversable by foot or [bicycle](#).

America's CNN has chosen Shimanami Kaido as one of the 7 best bike routes in the world. Cycling it is gentle and the slopes are leg-friendly. During the trip, you can enjoy not only the beautiful scenery of the sea and fresh air, which change dynamically with the seasons, but also fresh seafood and Setouchi-Lemmon juice, which are great for hungry and dehydrated cyclists after the long ride. At the end of the trip, amazing colors of the sunset awaits you. Rental bikes are available at some points along the path.
